COMPETITION RULES AND GUIDELINES

Horse Stance Competition

Competitors will stand with their back against a wall and adopt the horse stance position with a staff placed over their legs, and pads placed beneath. When the staff falls off the legs, or the competitor's upper back is no longer touching the wall, or the competitor touches the pads, time is called. Whichever competitor can remain in the horse stance the longest wins the event.

Little Heroes Forms

Competitors will take turns performing their 18-Strike-Combination form to the best of their ability before a panel of judges. Green/Purple belts should demonstrate moves 1-6. Blue/Brown belts should demonstrate moves 1-12. Red/Black belts should demonstrate moves 1-18. Competitors will be judged based on memory, quality of stances, technical correctness, speed, and power. Competitors receive a numerical score representing their performance, and the competitor receiving the highest score wins.

Wushu Kidz Forms, Future Starz Forms and Wushu Forms

Competitors will take turns performing their form to the best of their ability before a panel of judges. Competitors may select any form or part of a form which falls under the category they are competing under. Competitors will be judged based on memory, quality of stances, technical correctness, speed, power, and difficulty level. Competitors receive a numerical score representing their performance, and the competitor receiving the highest average score wins.

Grand Championship

There are three Grand Champion trophies awarded to the best competitors. The Grand Champion is determined by allowing each gold medalist to perform their best form before the judges. The highest scoring competitor in each division wins the Grand Champion trophy.

Cancelation Policy

Registration may be canceled and tournament fees refunded up and until midnight of February 24, 2018. Because trophies are purchased based on the number of registered competitors, after this deadline the Tournament Fee is non-refundable.
